

A stylized, double-lined letter 'M' in a dark green color. The letter is composed of two parallel lines, creating a sense of depth and movement. It is centered within a white square frame that has a thin gold border. The background of the entire image is a watercolor-style illustration in shades of green, blue, and white, with soft, flowing lines and some small brown speckles.

# Booking With Me

Curious about the booking process?

Once we confirm that your date is available, the following steps will be taken.

1. A 40% deposit is needed to lock in your date. I can currently accept Zelle, Venmo or check. I will provide more information for the method that works best for you. I also offer payment plans. If this is something you would be interested in, we can go over the best timeline based off of your wedding date.
2. The remaining 60% is due 30 days prior to your date. At this time I will also be reaching out to you to go over some questions that will help me get to know you and your spouse a little more. This also helps me plan out my day to capture the most content efficiently.
3. We celebrate an amazing wedding day!
4. I begin the editing process! This may take up to 2-3 months for the full package to be complete. During peak season (August through October) this may take up to 4 months. This allows me to provide the best outcome for each couple. All files are delivered digitally.

“

Maria is amazing and so sweet! My husband and I decided last minute that we wanted a videographer so I literally booked her THE WEEK OF our wedding!

She was prompt and easy to work with and I felt confident in her just from our email communication the week of the wedding. She sent me a document with questions about my husband and I just to get to know us better. She was so professional and polite the day of and was always close by during all of the important moments! I cannot recommend her enough.”
